JOIN US IN GOTHENBURG FOR THE 34th ANNUAL GP₂A CONFERENCE ON MEDICINAL CHEMISTRY 2026

Hosted in collaboration with the City of Gothenburg, Västra Götaland Region and Department of Chemistry and Molecular Biology at the University of Gothenburg in Sweden.

This flagship annual event brings together researchers from across Europe to exchange ideas, strengthen academic-industrial collaboration, and showcase cutting-edge advances in medicinal chemistry and chemical biology with a particular focus on early career researchers presenting their work.

26th - 28th August 2026

Natrium Research Building
University of Gothenburg
Medicinaregatan 7B, Göteborg, Sweden
